EXCLUSION OF SPOUSE, DEPENDENT, OR TRUST INFORMATION -- ANSWER EACH OF THESE QUESTIONS

SCHEDULE I - EARNED INCOME

Name Jane Harman

Page 2 of 11

List the source, type, and amount of earned income from any source (other than the filer's current employment by the U.S. Government) totaling \$200 or more during the preceding calendar year. For a spouse, list the source and amount of any honoraria; list only the source for other spouse earned income exceeding \$1,000.

| Source | Type | Amount |
|-------------------------------------|---------------|--------|
| Harman International Industries Inc | Spouse Salary | N/A |

SCHEDULE III - ASSETS AND "UNEARNED" INCOME

Name Jane Harman

| BLOCK A | BLOCK B | BLOCK C | BLOCK D | BLOCK E |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Asset and/or Income Source Identify (a) each asset held for investment or production of income with a fair market value exceeding \$1,000 at the end of the reporting period, and (b) any other assets or sources of income which generated more than \$200 in "unearned" income during the year. For rental property or land, provide a complete address. Provide full names of stocks and mutual funds (do not use ticker symbols). For all IRAs and other retirement plans (such as 401(k) plans) that are self directed (i.e., plans in which you have the power, even if not exercised, to select the specific investments), provide the value and income information on each asset in the account that exceeds the reporting threshold. For retirement plans that are not self-directed, name the institution holding the account and its value at the end of the reporting period. For an active business that is not publicly traded, state the name of the business, the nature of its activities, and its geographic location in Block A. For additional information, see the instruction booklet. | Year-End Value of Asset Check all columns that apply. Check "None" if asset did not generate any income during the calendar year. If other assets, indicate the value, please specify the method used. If an asset was sold and is included only because it is generated income, the value should be "None." | Type of Income Check all columns that apply. Check "None" if asset did not generate any income during the calendar year. If other assets, indicate the value, please specify the method used. If an asset was sold and is included only because it is generated income, the value should be "None." | Amount of Income For retirement plans or accounts that do not allow you to choose specific investments, you may write "NA" for income. For all other assets, indicate the category of income by checking the appropriate box below. Dividends, even if reinvested, should be listed as income. Check "None" if no income was earned. | Transaction Indicate if asset had purchases (P), sales (S), or exchanges (E) exceeding \$1,000 in reporting year. |
| If you so choose, you may indicate that an asset or income source is that of your spouse (SP) or dependent child (DC) or is jointly held (JT), in the optional column on the far left. | | | | |

Note 1 - Disclosure Regarding Limited Partnership Interests and Use of Alternative Valuation Methods:

Two basic methods have been used to determine the value of each partnership interest. These methods differ as a result of the information available at the date of filing.

Method 1

Where market value statements were available, the value was determined by applying the ownership percentage of the reporting individual to the total value of the capital account reserved for limited partners. Method 1 was implemented with regard to Archon Core Plus Real Estate Fund 2005 LP; Arsenal Capital Partners Qualified Purchaser Fund LP; GS Mezzanine Partners 2006 LP; Greenbriar Equity Funds LP; Greycroft Partners LP; Lakes Investment LLC; Patricof Private Investment Club LP; Patricof Private Investment Club II LP; Peabody International Real Estate Partners LLC; Pilgrim America High Income; Rhone Partners LP; Rhone Partners II and Rhone Partners III LP.

Method 2

In some cases market value financial statements were not available. Accordingly, the ending capital balance for the reporting individual was used to value the partnership interest. This method was applied with regard to Goldman Sachs Direct Strategies Fund 2006 LLC; Goldman Sachs GMS Alpha + Advisers I; Goldman Sachs GMS Alpha + III Global Equity Portfolio; Goldman Sachs GMS Alpha + IV Portfolio; Goldman Sachs GMS International Equity Advisers III (William Blair) LLC; Goldman Sachs TACS-Advantaged Global Alpha Fund LLC; HJ Books LLC; JBG Investment Fund I LP; JBG Investment Fund II LP; JBG Investment Fund V LLC; O'Connor Global Multi Strategy Alpha LP; Premier Pacific Vineyards LP; Selectinvest LP; Selectinvest Plus LP; Taconic Capital Partners LP and TWP CEO Founders Circle Fund.

Note 2 - Transfers of Securities to Managed Portfolios

During the year, securities were transferred from Goldman Sachs accounts to UBS Financial Securities accounts. The positions held on the Schedule III forms have been disclosed in accordance with the requirements for reporting. It should be noted that where a position earned reportable income in one account, but was transferred to another account during the year, the income has been disclosed in the account where earned, no value is indicated at year end and the transaction reference is Transfer (Trsfr). The value is reported in the account where held at the end of the year. The corresponding account also indicates Trsfr as the transaction reference.
