Note 1 - Disclosure Regarding Limited Partnership Interests and Use of Alternative Valuation Methods:

Two basic methods have been used to determine the value of each partnership interest. These methods differ as a result of the information available at the date of filing.

Method 1

Where market value statements were available, the value was determined by applying the ownership percentage of the reporting individual to the total value of the capital account reserved for limited partners. Method 1 was implemented with regard to Archon Core Plus Real Estate Fund 2005 LP; Arsenal Capital Partners Qualified Purchaser Fund LP; GS Mezzanine Partners 2006 LP; Greenbriar Equity Funds LP; Greycroft Partners LP; Lakes Investment LLC; Patricof Private Investment Club LP; Patricof Private Investment Club II LP; Peabody International Real Estate Partners LLC; Rhone Partners LP; Rhone Partners II and Rhone Partners III LP.

Method 2

In some cases market value financial statements were not available. Accordingly, the ending capital balance for the reporting individual was used to value the partnership interest. This method was applied with regard JBG Investment Fund I LP; JBG Investment Fund II LP; JBG Investment Fund V LLC; O'Connor Global Multi Strategy Alpha LP; Premier Pacific Vineyards LP; Selectinvest ARV LP; Selectinvest ARV Plus 2X LP; Taconic Capital Partners LP and TWCP Founders' Circle (QP) Fund.

Note 2 - Reporting for Transfers of Asset Positions:

Several assets held in the UBS accounts were transferred, for administrative purposes, from one account to another in 2009. On Schedule III attachments, assets may be listed both under the original account and under the new account. If an asset was purchased by one account and then transferred to another account, "P,Trsfr" is indicated in Block E under the original account and "Transfer" is indicated in Block E under the new account. If an asset was transferred from the original account to a new account and then sold by the new account, "Trsfr,S" is indicated in Block E under the new account. For assets that were transferred between accounts, only the purchases and sales of such assets are disclosed on the Schedule IV attachments, not the actual transfers.
